

TIMBERLANE QUILTERS' GUILD
RUBY RUBY ANNIVERSARY CHALLENGE

Let's celebrate the Timberlane Quilters' Guild 40th Anniversary

Project specifications:

1. 25 inches X 25 inches maximum or 625 square inches total area if you want to make it in a different shape. For example: 30"x 20" which is 600 square inches and is less than the 625 maximum.
2. Must include **at least** 40 square inches of a red fabric. For example: a 5 inch x 8 inch piece or that amount of fabric used in smaller pieces. The idea is Ruby Anniversary so the more the merrier.
3. Must include exactly 40 of the same item, 40 ½ square triangles (HSTs), 40 buttons, 40 dogs, 40 somethings etc.

The project is required to be completely finished and ready to go for the Quilt Show in March 2027.

Enjoy.
